Re: "Obama-Biden 2012"

Dear Mr. Smith and Mr. Herman:

We are counsel to Obama for America ("the Committee"). It has recently come to our attention that someone is soliciting and collecting contributions through direct mail and over the Internet by fraudulently presenting itself as an organization acting on behalf of the Committee.

In a direct mail piece, a sample of which is attached hereto, the organization asks people to "work for Obama-Biden reelection." It solicits contributions and instructs people to make checks payable to "Obama-Biden 2012." The Committee has never received any contribution from, nor has it had any involvement or other association with, "Obama-Biden 2012."

The direct mail piece also invites people to visit a website with the address: <http://obama-biden2012.org>. The Committee did not establish, does not own, and did not authorize this website. The website has misappropriated the Committee's website logo and merchandise. It includes a bank statement for an account named "Obama-Biden 2012." As in the direct mail piece, the website solicits contributions and asks people to "Donate Now."

Comment taken from WWW.OBAMA-BIDEN2012.ORG

Replacing the primary care physician from seriously ill, is equivalent to replacing the current administration in 2012.

History has demonstrated that the superior of belligerent hands and is difficult to be born created war. Blessed is the creator for giving us Obama-Biden as messengers of peace.

God is fantastically difficult times for those (easy to note) have the best loss in the world with the Nobel Peace Prize. Obama-Biden are messengers of peace.

Small business generate more revenue and economic stability than any other country's income. To reactivate the economy of the United States should encourage small businesses. On Obama-Biden is hopeless without them recall.

Why a 2012 reelection guarantees a safer world?

When Obama-Biden destroyed the worse humanity enemy, Bin Laden, they did it without noise and fanfare. Common sense tells us that if they had to redo would also be assisted by the creator.

If you wish open a Obama-Biden support club, you could access to our website and you will receive help and assistance.

Example of the work made for the Club: www.Exodo80.com It is the first Club:

- Pass out flyers, postcards and souvenirs on the streets.
- Prepare teams to give cloth, food and hope to the homeless.
- www.Exodo80.com have a volunteer team that will reject any media that attack with calumnies to Obama-Biden's campaign.
